

Survey of Christian Doctrine

Primary Instructor: Steve Caldwell

Course Description

Survey of Christian Doctrine is a 16 week course providing opportunity to grow in the knowledge of key Christian doctrines. The class provides opportunity to focus on these themes, with the aim of helping the believer better understand the nature and character of God, and as a result, have a closer walk with Him.

Participation

This course is open to anyone who wishes to participate, ages 14 and older. It is taught, however, on an adult level. For students not taking the class for credit, it is recommended, but not required, that they read the assigned chapters each week before class and complete the homework questions.

University of ACTS Requirement for Course Credit

Grace Bible Chapel and Hillview Bible Chapel participate together in an adult training curriculum called the *University of A.C.T.S.* The acronym stands for *Adult in-Church Training for Service*. This multi-phase program is designed to ground believers in the Christian faith, to help them to grow in a knowledge of God and Christ-like maturity, and to prepare them for Christian service. This course is one of the required classes for the fourth phase of training (UOA440). Students wishing to receive UOA credit for this class, must meet the following requirements.

- Students should attend all 16 classes, unless unable to do so. To receive credit for the course, they must not miss more than four classes.
- Students should arrive on time, having read the assigned passage and completed the homework questions. They should turn in homework assignments to the discussion group leader at the end of class. To receive credit for the course, all homework must be completed and submitted no later than two weeks after the assignment was due.
